

# EUREKA SPRINGS SCHOOL OF THE ARTS

## Work Study Scholarship Application

### **Application Deadline: March 15**

Work study scholarships are awarded to qualified individuals who may need help in meeting the expense of an ESSA workshop. Work study assignments vary. Some examples: studio assistant, help staff with Thursday Studio Stroll, kitchen, clerical duties, housekeeping, grounds keeping, fundraising, and other tasks that arise as needed. Upon completion of 30 hours of work, one 5-day workshop is provided to the student-employee. Class material fees and personal supplies are the responsibility of the individual.

ESSA considers individuals who are mature, team oriented, self-motivated and interested in the arts. Enthusiasm and commitment are required for these positions. High school students 16 and older are encouraged to apply for these opportunities as well as adults. All classes are based on availability. All work-study assignments will be based on an individual's strengths.

After the application deadline, which is March 15, a review committee meets to select which students are eligible to be interviewed for the available work study positions for the year. Our needs may vary from year to year as we grow.

Finally, after all interviews have been conducted, a final decision / placement will be made and you will be notified in writing.
