

## RESIDENCY - GLASS STUDIO INVENTORY

### Dedicated Resources in Glass Studio:

- Cutting system (Morton), grinder, ring saw, glass cutters, grozers, running pliers, wheel nippers
- Soldering irons, temperature controllers, wooden tabletop boards

### Consumables & Miscellaneous:

- Flux, patinas, came stripping, aprons, safety glasses, general office supplies

**Please note, copper foil, glass and solder are not provided with this residency, residents must provide their own. ESSA will have, within reason, some glass sheets to purchase to lightly supplement the resident's glass. An ESSA staff member will cut and weigh any purchased glass for the resident, on a TBD schedule once the residency begins.**
