

Supply List Special Polymer Class By Marlene Gremillion

Clay (Super Sculpey Ultra-Light Polymer Clay) oven bake (A limited number of kits available)

Work surface glass tile, cutting board or cutting matt.

Roller, pvc pipe works well but can use a smooth glass or jar.

Paint brush small with rounded stick end on the handle.

Knife, reasonably sharp

Accurate oven because the pieces will be cured at 275 degrees.

Aluminum foil

In expensive acrylic paint liquid if you desire to put accent color on your pieces.

Ear wire for hanging earrings and pendant (Included in Kit)

Eye pin (included in kit)

Jump rings 2 (included in kit)

Pointy tool like an ice pick, knitting needle or large needle, toothpick would work also.

Light bulb
